

RAPIDS WAREHOUSING

COMMERCIAL WAREHOUSE OPENING

Separate and independent but wholly owned by Helena Industries, LLC

Helena Industries is expanding their warehousing services and supply chain model with the opening of RAPIDS Warehousing in Cordele, GA on April 1, 2020. With 130,000 sq. ft. of on-site warehousing and an additional 100,000 sq. ft. in close proximity to our manufacturing plant, RAPIDS Warehousing can greatly reduce your supply chain fees by eliminating excessive freight charges to public warehousing. RAPIDS Warehousing also offers traditional commercial warehousing services such as inventory management technology, breaking down pallets and putting together mixed loads for direct shipment to their destination. Coming to Des Moines, Iowa Fall 2020.

Effortless Supply Chain Management from raws to market

Regionally competitive warehousing fees and locations that reduce overall supply chain costs

Automatic, seamless just-in-time transfers to and from production

Easy access to the ports of Charleston, Jacksonville and Savannah
